Frequently-asked questions

What are the conditions of joining?

Membership is subject to the provisions of the Club's Articles of Association, the Club Rules and its policies and codes of conduct from time to time in force, copies of which are available from the Club Secretary. Full details are given on the [membership form](#).

How long does membership last?

Memberships are generally annual (save for temporary or Learn-to-Row membership), the membership year running from 1 October to 30 September in the following year.

What if I join mid-way through the year?

New members pay pro-rata annual subs which are calculated from the first of the month in which they join to the end of the current membership year.

What can I do if I can't pay?

If your financial circumstances might prevent participation in rowing, the Club may be able to offer an alternative payment scheme, reduction or waiver of fees. If you are worried about your ability to pay, please email secretary@learc.org.uk or speak with your Captain or rep in confidence.

How can I secure boat racking space?

Boat racking may be available to Club members. To enquire, please contact secretary@learc.org.uk.

What is "Recreational" membership?

Recreational membership is intended for those that wish to enjoy rowing but do not wish to compete. They may use designated stable rowing boats during set times. Gym usage may be possible in off-peak times, with permission from the Captain.

What is "Gym-only" membership?

Exclusively land training. Peak membership allows you to train with the squads during their core evening and weekend sessions, particularly designed for those returning to the sport or wishing to build fitness with a view to joining the squads. Off-peak is for training outside of core squad hours (TBC at point of enquiry). Core hours are commonly weekday evenings & weekend mornings.

What is "Friends of the Lea"?

Our community for supporters of the Club or those who are no longer holders of classic or concession memberships and who wish to stay a part of the Club. See learc.org.uk/support-us

What is "Family" membership?

For parents & guardians with a dependent child who is a member of the junior squad. The individual members' subs will be added together and 2/3 of total charged. Please note that this applies to membership only and not to additional fees like racking.
